Pistol Range

It's January 2018 and the Pistol Range gate combo padlock has been changed to the 2018 code. We change the code January 1 of each year.

Please do not share this code with anyone if someone does not have the code, it means that if a member, they have not renewed or completed the Range Orientation or a member of the public.

There is a container of sand outside the gate, in case the area by the gate gets icy.

Please after entering the range, close and latch the gate, do not lock it. Please after exiting the range and you are the last individual on the range and the Rifle Range is not open, close, latch and lock the gate. An open gate allows access to non-authorized individuals. If the Rifle Range is open, just close and latch the gate, but do not lock it

Please no shotgun shooting on the Pistol Range unless an RSO is present to supervise. Shotgun shooting does sever damage to the target backers

If you contact Dick Malsch via E-Mail regarding anything on the Pistol Range, please include your cell phone number in the E-Mail

Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.

HOLY CR@*!!!

It's 2018 already! I wasn't done with 2017 yet. Oh Well, time marches on and I can just leave all the stuff I planned to do on the new list.

Happy New Year to all, and to a Healthy, Happy and memorable time in 2018.
Adventure on, and do all the stuff you can.

Many of the items on the to do list can be completed at the Club!! Shoot more, Join and Shoot in a WINTER League. (Yes, we have winter in this neighborhood), Skeet League, Trap Leagues will start soon. The first Smelt Fry is approaching, so come on out and help on that. Member appreciation day is coming up too, time to renew your membership and shoot a little, participate in the Meat Raffle and Rifle Raffle, and additional bucket raffles, tell some Hunting and Traveling stories. Catch up with Club action and your team members and other shooters. You can get your rimfire stuff dusted off for Rimfire Challenge practice this spring, too.

If you haven't been around, check out the IMPROVEMENTS, and help us decide how to finalize a few things to finish them up, and plan for more cool stuff to happen. Let's put all the new stuff to the test and spend some time enjoying them.

We are planning to schedule an RSO class in March, so renew your name on the list, or add it, or get others to attend the class with you.

There are lots of new pistol shooters taking the orientation, it's time we do some classes and organize some shooting events on that range soon. Along with Rifle and Archery activities this spring. Let's get the planning out of the way, so we can be ready for spring events. Maybe a long-range shooting activity in the Rifle Range would be FUN too.

Come on out and shoot some, help some, and make the Club a place to enjoy the shooting sports and a little friendly competition.

There are plans in the works for some more "Round Table" discussions at the Club.

Some subjects that have been suggested: Sausage Making!! (combined with a Chili Cook off) Archery stuff, Traditional, and modern, including cross bow stuff, and creating a "League" Night to get shooters off the dam Couch and participating in a reality show instead of watching one. NRA Classes, Long Range shooting skills, and other fun stuff. Send an email if you have a Subject Idea, or would like to attend a BS session on any of the subjects we can think up.

Don't forget the youth activities that you can help with!! Growing and improving the High School Trap Team, Hunters Ed, or other Mentoring and youth programs. Let's work together to make the Club "The Place to Shoot"

Shoot straight and be Safe
See you at the Club.
