VOLUNTEERING AT NBSC:

Other events coming up at NBSC – and again we will need volunteers – is as follows:

October 23, 2016 – NBSC Quad County Shoot-Trap (50 Bird)

November 27, 2016 – NBSC Quad County Shoot-Trap (50 Bird)

Carl and Gelane Firme

Friday Nights at the Club

Don't miss your chance to join us for the Friday Night Fish Fry at the Club.

At the recent Monthly Meeting, the Board made the decision that due to increased costs, lower than needed attendance, and competition from the big city eating places, the Fish Fry as we know it can no longer survive.

So stop out before the end of the year and give the Fish Fry a proper send off. Visit with the regulars, staff and all the other folks that have made it a great place to hang out.

Our hope is to take a Cold Winter Break from every Friday Night and then recreate the Friday Event to Monthly Special nights, Afternoon Shooting and be open for shooting, Social interaction, and lighter Fare food, like burgers, fish baskets, sandwiches and maybe some specials each week or month.

A huge shout out and Thank You to all of our Loyal Customers, Staff, volunteers and Board Members for supporting the Fish Fry and the Quality time at the Gun Club for all these years.

Hopefully, we can change it up a bit, and create something that appeals to our core members, it would be fantastic to get to be the place where Members and Friends chose to come and hang out.

See you on Fridays ?!!!!!!!??

CHUMS EVENT IS RETURNING

Friday October 14th, the Cardinal Heights Middle School from Sun Prairie is returning for a Field Trip. The Class is "Natural Resources and Wildlife Management" and our Club is lucky enough to host the field trip.

The students and Parents come to the club to learn about conservation, how hunting is important in wildlife management. They shoot archery, get a muzzle loader demonstration, participate in a pheasant hunt, trap shoot and .22 rimfire target practice. We also provide the final field test for many of them to complete the Hunters Education Program.

For Lunch Tommy and his helpers prepare a "Wild Game Feed" to serve almost 180 Students, parents, chaperones, educators, hunters ed instructors and club volunteers. We are still in need of volunteers to help with the program.

Donations of wild game, like elk, mule deer venison, or game birds of any kind. Also fish and etc are all in need. Or if you can prepare a dish for the event, it would be appreciated.

Contact Kevyn via email mail: Kevyn@advbldgcorp.com or by phone 608 209 3842 to coordinate your donation or let me know what you can provide.

The uncooked food needs to be available in advance for thawing, preparation and planning.

Thanks, hope to see some of you there.

IMPORTANT OCTOBER MEETING OF NBSC

A Major financial decision will be made at the October meeting on shooting range improvements and storage building through a DNR Grant. This decision will affect the club's finances for years to come. The expected cost of the improvements will be in the range of \$200,000, with the DNR Grant matching half of those costs.

Please come to the meeting to voice your opinion.

Carl Firme
Grant Director

**Policy for Unescorted Youth on the 50
Meter Range
Approved by the NBSC Board on March
17, 2009**

Youth under 16 years of age may not be on the 50 meter range unescorted. A parent or other adult Club Member must be present at all times.

Youth 16 years of age to under 18 years of age may use the 50 Meter range unescorted, provided they possess their own membership card under a current NBSC Family Membership.

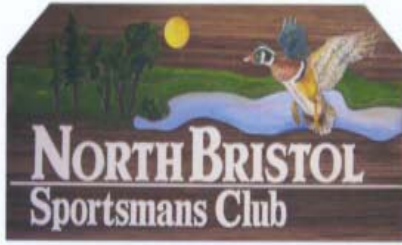

The youth must have attended a 50 meter Range Safety and Orientation Session with a parent or legal guardian. Unescorted youth range use is restricted to BB or pellet rifles; rimfire rifles; muzzle loading rifles; and shotguns for patterning and sight-in only – no handguns.

At 18 years of age, all persons must apply for their own NBSC membership.

Announcement

The Board of Directors Recently completed a number of meetings to discuss and finalize costs and Pricing for 2017. Some of the changes approved at these meetings, include 5 Stand operation and pricing, increase in non member Trap Fees, Raising the Range Maintenance Fee (RMF) for the single projectile ranges to \$ 20.00 and some changes to membership fees for partial year dues, and Life Membership requirements. We also eliminated gratis memberships to active Board members.

Some of the factors that guided these policies include, reduced Fund Raising income from Raffle sales and Fall Shoot, increased Maintenance requirements for the Rifle and Pistol Range, fewer volunteers participating in work days and projects, increasing outside vendor expenses annually. And just plain higher prices on everything we need. We continue to try to control costs and needs to offer members and exceptional value to become and participate in activities at the club. The decisions were not arrived at randomly, but we hope struck a balance with everything considered to best serve the members and the interest and survival of the club. Feel free to discuss any concerns with the board members, or better yet, come on out to the Monthly meetings and help guide the clubs decisions.

5-Stand

The 5 Stand is up and working. We will start using it regularly by August 13th and will train shooters how to use it so it can be up and running during Open Shooting Times.

We also are Planning for a " Fall Tune Up" League on 5 stand. We plan to run it for 8 weeks, on Thursday nights, starting at 5:00 PM and done by dark.

The format is yet to be determined, but it will be a combined Individual and Team event.

Teams of 3 will compete with other Teams, but do not have to shoot together.

Make ups and shooting ahead will be possible as time Allows, and we will recognize the top shooters and Participants. Plan to come out for an Introduction to 5 Stand on August 18th. Sign up for the league, which will run from August 18th to October 20th.

Cost for 5 Stand is \$ 7 per 25 birds for Members and \$ 10 for Non Members.

The new system has 5 Slingers, and an EZ Pull Card system with a Programmed Controller for throwing the birds. Come and check it out, and get tutored on which buttons to push, so you can shoot it whenever you want.

The attached pictures show the slingers in place, and the equipment needed. Including the Target Manager system, member target Card and the push button Controller to throw the right birds at the right time. Now we have one more way to have fun and collect unbroken clay pigeons on our nicely manicured lawn. See you there.

Kevyn and Steve Statz. The 5 stand Wizards ?????

R a n g e N e w s

Interested in becoming a Range Safety Officer?

We have an ongoing need for RSOs on the rifle range and, soon, the pistol range. NRA certification requires a one day class and, for NBSC, an RSO specific range orientation. If you're interested, contact Dan Kittel at (608) 219-8711, dankittel8711@gmail.com for more information, or Kevyn Quamme at kevyn@advbldgcorp.com. We are planning to open the pistol range more often, with RSO oversight, from April to November. Watch for the dates. This will provide access for a fee to non-members.

Learn to Hunt !!!!

Get the kids outside. There are many Local conservation groups that offer learn to hunt programs. It seems that this year, the sign up and attendance for such events has dropped.

It is important to get young people and adults new to the outdoors introduced to hunting, conservation, firearm safety and the like.

Spread the word and get people to participate in these great events. There are links on the DNR "Go Wild" website and many Face Book and Web pages dedicated to these activities. Some have a modest \$10 fee, but shells, guns, hunting dogs, mentors and pheasants are all provided at no additional cost.

For Pheasant Hunting this season, Visit the Friends of the Poynette Game Farm Facebook site, or go directly to the www.friendsofwihunting.org website to see the available Dates and Locations.

There is room for participants at the December 3rd and 4th event at the McKenzie Center in Poynette. Log on and sign up to get your spot for a chance to shoot, learn, hunt and hang out in the outdoors.

The volunteers can't wait to meet you.

M e m b e r s N e w s

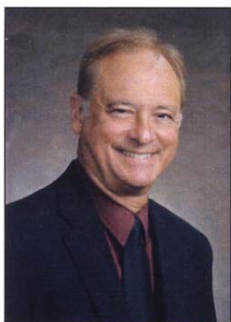

Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club will begin a monthly drawing on the night of the July meeting. The names of two volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.

The Board

Volunteer Recognition Drawing September 2016

The August drawing for volunteer recognition prizes was held. The prizes are: 1st - \$50 cash (Jim Wargula), 2nd - Wildlife Print (Wayne Voigt), 3rd Books and Choice of Knives (Jeff Schneider) The prizes must be collected at the clubhouse, with first and second choices going to the first and second to arrive.

*R a n d o m
R a n g e
R a n t s*

September is a busy month at the club, so the newsletter is late. Not enough time to do it all. Even with all of the fantastic VOLUNTEERS, that stepped up to do it all. We apologize if we didn't acknowledge the work you do while you are helping at the events. But rest assured we DO notice, we do appreciate all the help, and we do need you all to get the job done. The club has many notable events at the end of summer. Hosting and pulling off 4 Hunters Ed classes, thanks to Dale and Darin, opening the Rifle and Pistol Ranges to give members and non-members a safe, educational shooting experience. The more practice firearms owners get, the safer it will be for all of us to be around firearms, and the more respect we will develop in the non-gun owner's world. Rimfire Challenge was a Great event with attendees from as far away as Pennsylvania. The 5-man team shoot went really well and we had perfect weather for that too.

The CHUMS event School Field Trip is Friday October 14th. If you can help Tommy with food service, set up and clean up, or manning the learning stations. Let us know.

I am amazed and VERY PROUD of all of the fantastic comments we see and get after and during our events. The feedback from the Rifle and Pistol Ranges come in, we don't see any negative comments, mostly raving about how helpful the RSO's are. Friday Fish Fry's get "Great Food" comments and "we had a good time, glad we came out". The Rimfire Challenge participants were just beaming and thanking Tom and the rest of the volunteers for making it a fun, safe, "one of the Best" events they have attended. Carl and Gelane continue to draw lots of Trap shooters to the events, and draw many comments, thanks and appreciation from the shooters, directed to the Club and its members and volunteers. Keep up the great work, we are without question one of the best clubs around. So as a member keep smiling, be safe and engage the visitors and participants the way we have been, come out with a positive attitude, be friendly and be safe.

Please, don't forget to sell your Raffle Tickets, and as many more as you can, it is one of the fund raisers that pay the bills and keep access to the Club for Members affordable. Proud of what we do for the shooting and outdoors community.

Watch for and help us transition into the future. There will be some changes coming to keep things running. Any comments or suggestions are appreciated, and come to the club meetings to help shape and ensure the future of the club.

Hunting seasons have begun, so get out there, be safe and take a kid, or rookie out to enjoy the day with you. Support the groups and people that support your passion in the outdoors.

Shoot straight and be Safe.

Happy Hunting. Have Fun. Keep Smiling.
