HAPPY NEW YEAR !!!!

Hoping everyone had a great Christmas and New Years. If you're traveling or vacationing, have a great time and Safe Travels. Mark Twain wrote: "Travel is fatal to prejudice, bigotry and narrow mindedness" So if you're not leaving Wisconsin, as least travel out to the Club and hang out with a great group of diverse people, which can help cure the above afflictions with some smiles and laughs mixed in. The conversations are in the least, spirited and unique. We could use some fresh ideas, once in a while too.

18 was a fun year, new events, helped raise money for the Badger Honor Flight. Got the improvements made possible by the Grant application complete, paper work filed and paid for. The Club ended up with a little money in the General Account too. That allowed us to invest in well needed upgrades and improvements too. We just picked up a new snow blower, that actual starts and runs. (Hopefully that will keep it from snowing at the gun club, till next year)

Keep an eye out for the upcoming events, Smelt Fries start in January, and we still need folks to help, moral support and just plain cheer on the volunteers. This is not only a Club tradition, but a fund raiser, and community event that helps us connect with our neighbors and friends. Including many Life Members that come out to make sure we are still around.

Decembers Election resulted in some changes and new blood stepping up to help run the club. Tell them HI, welcome them to the job, and thank all of the elected and hardworking volunteers for the time they spend to make YOUR club run.

We have a good group of New faces that are becoming members, and many have the desire to help, participate and volunteer. So, reach out to them, make them feel welcome, and show them how to become a critical part of a great group of Sportsman and shooters.

Winter shooting starts real soon. Trap League and Sunday Skeet League has already started, Monday Night Trap starts Monday the 21st. But it is not too late to sign up and catch up.

Watch for the progress of the "Shooting Shack" that we plan to create and park on Trap 5 We hope to create the ability to shoot 5 STAND and TRAP from inside a "slightly" heated trailer.

Should have an RSO Annual meeting coming up Soon. Anyone not already an RSO but interested in becoming one can contact an officer or Rifle / Pistol Range director to sign up. We hope to provide another class at the club, and maybe have some incentives to those that attend.

There is a lot happening at the club, and a lot more that could happen. So, bring your ideas out and volunteer when you can. Keep our club one of the best in the area and help make it the place to go for your shooting experience.

Remember to Take a Kid Outdoors, Volunteer and participate when you can and help new members and their families become a part of our Club Family.

Shoot straight and be Safe
See you at the Club
