Contact Kevyn at 608-209-3842

NBSC
.22 Junior League Rules and Guidelines
2017

Age Requirements:

- Competitors may be: 7-15 Years old at time of registration.
- A signed waiver will be required.
- General Requirements
- Competitors must have parental consent
- Parent must accompany competitors at time of registration
- It will be a 2 week league meeting Sunday Mornings at 10:00 AM
- The league will attempt to accommodate schedule conflicts, make-ups are allowed.
- **Dates: Sunday, July 9th and 15th**
- The winner will be determined by the total accumulative score in each class
- Ties will be decided by total number of bull's eyes (x's), if still tied, it will be determined by a shoot off
- Prizes for Top Shooters will be awarded
- All participants will receive Sportsman's club T-shirts
- Safety glasses and ear plugs are required
- Safety on the range is of utmost importance, unsafe actions will not be tolerated and will be grounds for disqualification or removal of the participant, instructors will provide assistance and participants will follow directions immediately or be asked to not participate.
- No fees will be charged. Members and supporters of NBSC are sponsoring the event.
- Make up for weeks missed can be arranged in advance.

Equipment:

- .22 Long Rifles with open sights will be used, scoped rifles may be allowed for practice.
- Participants may provide their own rifle or use a rifle provided at the range
- Instructors will provide ammunition, and safety equipment
- Shooting style will vary from week to week.
- Targets will vary depending on weekly competition.

Mission Statement:

The purpose of the league is to provide a fun, safe, competitive shooting event for young shooters, to teach and promote gun handling safety and skills; to teach and improve marksmanship of the participants. To increase confidence in shooting skills, perfect and learn techniques and mechanics of shooting. Teach social interaction, co operation, range rules and procedures in a friendly, competitive setting.

 **Join in the fun of** 
shooting steel plates

*N S S F R i m f i r e
C h a l l e n g e
f o r A L L A g e s*

NSSF Rimfire Challenge is a timed competition shooting both pistol and rifle (22 Caliber Only) at steel targets. Any 22 gun will work, what works best for the purpose are semi-autos that hold 10 rounds in a magazine, open sights and red dots are permitted but in different classes. 5 magazines per gun works best.

We will have guns available for those who currently do not have the proper guns.

Shooting Schedule:	Club Practice (\$5.00, youths shoot free)	Wednesday Evenings, May 3rd to June 14th. and July 12th to August 23rd.
	Weekend Shoot, Open to the Public (\$10.00, youths shoot free)	2nd Saturday in May, June, July and August
	NSSF Registered Shoot (\$35, youth shoot free, lunch included) Prizes are awarded on a drawing basis. Trophies are awarded for class/category winners)	2nd Sunday in September, the 10th

What do I need: Interested shooters of all ages
Interested RSOs/shooters willing to help run the matches
Volunteers to run registration, entering scores, etc.

Pistol Range Orientations

Any Member that has not maintained continuous Membership or the continuous payment of the Range Maintenance Fee (RMF) must re-take the Orientation when reactivating same to continue with the use of the Pistol Range.

The Member when returning, will be considered a new member and not a renewing member. The reason for this, is that over time the Orientation has changed and been updated.

New Web Page Design is on the way

Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.
The Board

Volunteer Recognition Drawing May, 2017

R a n d o m
R a n g e
R a n t s

It's summer! Highs in the 80's, low's in the 50's. Sounds like my trap scores.

With good weather and sunshine, the shooters are out at the club. Increasing numbers of rifle and pistol shooters, and the Clay Target ranges are busy. Lot's of events scheduled too.

This is the time for members to spend some time at the club doing what they like to do. Being around to help with events, and mentoring new shooters. Keeping an eye on non members for safety and to give them pointers so they don't develop the same bad habits we spend most of our time trying to fix for ourselves.

There is a 100 bird event you can participate in June 17th, July 1st is our ATA Buckle shoot. Great event, it is a favorite of local shooters, and Carl and Gelane do a wonderful job promoting the club and taking care of the shooters. They can use all the help they can get, so plan to show up and give a hand that day.

The High School Team is scheduled to shoot at the State Event in Rome, June 24th, finishing up the season. Give them encouragement, support and help when you can.

The 5-stand is open, and we want anyone interested in shooting it to get out to learn how to push the buttons to make it work. It is automated, and works with the EZ Pull Target manager, similar to trap, so you can grab a few shooters and shoot whenever the club is open. We set it up, so you don't have to wait for an attendant to throw birds for you. So find out how to make it go, and shoot as much as you can. It's a great way to learn how to wing shoot, and be a better bird hunter. FUN too. We plan to have someone running it on Thursdays from 5 to 8ish, and the 2nd Sunday and 3rd Saturday of the Month for the summer. With enough interest, we hope to be able to shoot from a trailer in the winter months. To block the wind and maybe even have a little heat inside.

Archery is planning a work day to clean up and spread bark mulch on the trail. The organizers are hoping to get the 3D targets in place and have a late summer league to get ready for hunting. We are planning to get new practice target butts soon, and those should be able to work with Cross bows too, at the longer targets for sure.

See you at the club, Thursdays, Saturday and Sundays.

Shoot straight and be Safe.

See you at the Club. Have Fun. Keep Smiling.

Range Rules:

1. Membership Cards must be visibly displayed at all times by all members shooting on the range.
2. Only current members that have signed the range safety waiver, and are current in their range fees for the current year, and have completed the Safety orientation may use the 50 Meter Range
3. Safe shooting and safe gun handling must be practiced at all times. Anyone violating a safe practice or failing to follow posted rules will be asked to leave and have their range privileges revoked. Fees will not be refunded. Revocation of membership can be a result
4. Shooting may only be conducted from the firing line. Exceptions may be granted by the Range Director or RSO present during authorized approved and scheduled events.
5. Not cross lane shooting is permitted. One target stand only shall be used in each lane.
6. The standards are numbered to the corresponding land. The standard should be positioned in the center of the lane.
7. Bullet path should be as parallel as possible with the ground surface of the shooting lane. If necessary, position your stance or the shooting bench or raise the target. The projectile should impact the berm with each shot.
8. Only Air Guns, Handguns, Rim Fire Rifles, Muzzle Loaders and Shotguns with slugs may be used on the range. Shot Shells and Center fire rifles are not permitted, including pistol caliber center fire rifles.
9. All users of the range are responsible for clean-up of their litter and trash before leaving. This includes empty brass, shotgun hulls, targets, cigarette butts, etc. Dud rounds must be placed in the plastic tubes at the rear of the benches. Dud shot gun shells must be removed from the range by the shooter and disposed of properly.
10. Targets are to be stapled or taped to the target backers and after shooting, placed in the trash receptacles. Stick-on targets of any type are not permitted on the backers, place them first on a sheet of paper and then staple the paper to the backer.
11. Only paper targets may be affixed to the target-backers. Commercially made self-standing targets may be used only with the approval of a Range Director or a Range Safety Officer. NO target of any kind may be affixed to a baffle or baffle support. Always position your target so that rounds impact the rear berm.
12. Glass, Metal, Plastic, Wood, Fruit, and containers of any type are not approved for targets; other types of targets may be approved with prior authorization from a Range Director or a Range Safety Officer for special events.
13. Any individual found or reported to have deliberately caused or attempted to cause damage to any baffle, baffle support, range fixture, or equipment will be referred to the NBSC Board of Directors for possible disciplinary action.
14. The Range Director shall be informed of any planned special range use a minimum of seven days prior to the event. Persons in charge of previously authorized group events must sign in for the group and include the nature of the event.
