Welcome**

At the June membership meeting, we were presented with the idea of having a fund raising "Shooting Event" to benefit, and raise money for the Badger Honor Flight, Wisconsin. For those who are not familiar with the event, it is a non-profit organization that raises money to send elderly Vet's to Washington D.C. on a whirlwind trip to visit the Nation's Capital and see the War Memorials and sites. Upon return to the Home Airport, the Vet's are met by friends and family to support them and to Witness

a "Mail Call" The mail call is a recreation of when they served overseas, and the highlight of the month was news from home. This mail call includes notes and encouragement from friends and family, recognizing the commitment the Vet's made for the Country. It is humbling and inspirational to witness.

At the Membership meeting, it was decided unanimously to do something to support this cause, many of our members and friends served this country, and some have made the Badger Honor Flight. Rube Birrenkott got to go, Bear's dad Rudy, and Harland Grove made the trip. Many Vets are, like Tom Seator and Howie C, Dennis Norton, Dick M. and others amongst us, and there are also many past members, no longer with us, like John Sharpe, Rube B and others. That should have had the chance to go.

The Club leadership would like to create an event this fall to support the cause, But,, always a But, We need a firm commitment from our volunteers and members that you will be on board to make this happen. We need lot's of prizes, donations, corporate support, and the most important, members and friends who will commit to doing the work.

Please e-mail your ability and intent to support this cause to the Board, or to the NBSC Email. If we get the kind of response we expect, we will put on a party with a very nice ending. Please contact a board member, or another club member and let us know you will help. When we get the response we need, we will pick the date, and put the details in place. We will have a giant sign up board at the club for you to add your name. Don't forget, we will accept help from other organizations and individuals to make this happen. So share any ideas on who else may step forward to make a successful event to support our local American Heroes.

Kevyn, [Kevynabc@gmail.com](mailto:Kevynabc@gmail.com) Call or email with support, questions or comments. We need to know soon, if the club and it's members have what it takes to pull this off.

Thanks,. Shoot Straight.

## Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.

Summer is almost here. Getting hot, very few mosquitoes, sunburn soon. Ahhh, life is good. Go fishing, shoot more, get outside, do SOMETHING.

Speaking of doing something, there is lots to do. Trap leagues, 5 Stand league and shooting, Summer Skeet League, Archery 3D League on some Thursday's. Rimfire Challenge and other fun stuff. We have trap events scheduled, including the ATA shoot the end of June. Watch the calendar, and volunteer to put on the events, so we can keep the boat afloat.

A plan to create a Badger Honor Flight fund raiser is the works, volunteer to help out and get this off the ground. Pun Intended, Let's have a little shooting fun, and raise some money to send some well deserving, aging Vet's the chance to visit Disneyland East, in Washington DC. As crazy as the politics are, the District is a historical, educational place like no other. It is an inspiring and sobering place to visit. Those who forget history are doomed to repeat it, and this place won't let you forget our Past, Present and Bright Future. If you have not visited DC, it should be moved to your short list.

Come on out and play at the club, and when I say play, play hard, maybe even pitch in to do a little work, or volunteer to help others enjoy and appreciate YOUR club.

Get involved, ask question, help make the Club a better place to hang out and have fun.

The debriefing sessions after we get some work done, are easily the most entertaining time you can spend at the Club discussion counter.

Don't forget to support the High School Trap program, and encourage our young shooters to continue enjoying the sport. Ask about the SCTP Raffle Tickets available till the State Shoot , June 22nd and 23rd.

Shoot straight and be Safe

See you at the Club
