### We Care What You Think

As a member owned club, your opinion matters! The officers, board members, activity coordinators including Bridgette and others are working hard to improve our club. I would personally like to hear any comments or suggestions you might have. On the same note, to keep costs down our club depends on volunteers. We have numerous events coming up, and any help would be greatly appreciated even if you only have a few hours to spare. Last but not least, we always welcome new faces to the club. If you have any coworkers, family, friends (etc) that share the same interest as we do, tell them about us, and or bring them out for some fun.

Thank You,

Jay Bambrough, President

## Membership Renewals

The New Year is about to arrive and that means it's time to renew your membership. NBSC membership runs on a calendar year, January 1st to December 31st.

The Membership renewal form is on the following page. You can, also, find a form on our website. That form is auto-fill, so you can fill out on your computer, print and mail-in with your membership dues. That method is preferred, as the typed info is much easier to read.

Membership renewals are due by March 31st.

Membership Director

Tom Seasor

## Pistol Range Repair

We had a small but very effective crew on December 17. Jim & Steve brought scaffolding and were the driving force on the repairs. Vern, Dale, and Kevin were kept busy hauling planking and cutting. I was left with the job of supervising.

On December 28, Dale, Rich and myself sorted the planking we tore off, scrapping the boards we could not use and salvaging the ones we might be able to use.

On January 3, Tom and wife Paula worked on target backers. On January 4, Rex and I worked on the target backers

Although many of you were unable to help, we still need your help. Help in watching other shooters to be sure they know where their rounds are going. If you get a chance, walk and look at the back side of Lane 1 baffle. It looks like someone was shooting slugs based on the hole that went clean through the concrete truss. The repairs were the result of damage to the baffle from shooters not really paying attention to what they were doing. Lanes 1 & 2 will remain shut down until the weather warms up to continue the repairs. Lanes 3 & 4 are iffy, we don't need any more lanes shut down.

The range is very icy, be careful. The drive to the rifle range is very icy, be careful.

# Range News

## Pistol Range Work Party

Pistol Range Lanes 1 & 2 shut down until further notice.

## Pistol Range Orientations

Any Member that has not maintained continuous Membership or the continuous payment of the Range Maintenance Fee (RMF) must re-take the Orientation when reactivating same to continue with the use of the Pistol Range.

The Member when returning, will be considered a new member and not a renewing member. The reason for this, is that over time the Orientation has changed and been updated.

## *Interested in becoming a Range Safety Officer?*

We have an ongoing need for RSOs on the rifle range and, soon, the pistol range. NRA certification requires a one day class and, for NBSC, an RSO specific range orientation. If you're interested, contact Dan Kittel at (608) 219-8711, [dankittel8711@gmail.com](mailto:dankittel8711@gmail.com) for more information, or Kevyn Quamme at [kevyn@advbldgcorp.com](mailto:kevyn@advbldgcorp.com)

We are planning to open the pistol range more often, with RSO oversight, from April to November. Watch for the dates. This will provide access for a fee to non-members.

## Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.  
The Board

## Volunteer Recognition Drawing March, 2017

**First Place:** Dave Biegel  
\$50.00 Walmart gift card

**Second Place:** Mike Kilian  
\$25.00 Walmart gift card.

## Annual Spring Work Day

The annual spring work day is scheduled for Saturday April 8th, with a rain date of April 15th. Bring a pair of gloves, any tools you might think will be useful and a few bottles of water. A few weed wackers and brush cutters would also be very helpful. These work days always involve a lot of laughs and horsing around, so bring a smile too

## Looking for help ? Maybe we can be of assistance

Spring is almost here?? Or not!!! Winter leagues are almost done, snow should disappear soon. The spring and summer leagues are just around the corner.

Skeet will start shooting on Thursday nights, and the High School shooters will be back at the club soon. Everyone is welcome to watch, help and participate in the events we have. The more folks hanging around, the more fun we can have.

There will be a few work days coming up. There is a group ready to get the Archery Range back active, and they are looking for shooters, event ideas and some shooters that they can entertain or shoot with.

Watch for the work days for spring cleanup, and then dust off your tools. Carl got some grant money for us to make major improvements. In order to earn the matching funds, we need to spend some money, and do a bunch of volunteer work to get the improvements completed. Watch for the list of stuff to do, and help wherever and whenever you can. New trap houses, easier to get in, a couple of all concrete shooting stations, hard surface and a pistol range roof, repairs and improvements are all on the list.

Check it out, help out and work with us to get donations, volunteer hours and hang out and have some fun to make all this happen.

Fund raising is always a big part of improving the club and offering and creating the facilities we need to serve the members. Donations, raffles, events and competitions all create something to do, keep us from being bored! And get us all together for food, fun and good times. Show up when you can, be a part of making things happen at the club that you are interested in.

Pistol shooting, Rimfire Challenge, Skeet, Trap, ATA Shoots, Quad County Trap Events, High School Trap Team Events, Boy Scouts, Rifle Range, Archery, Hunters Site In, Hunters Ed, CHUMS School Field Trip, Smelt Fry's, Friday Night Lights, Super Bowl, Saturday and Sunday open shooting. Thursday open shooting. WOW, we do a lot of #\*\*#, at the club. Don't miss it.

Two more Smelt fries coming up, we need help, especially on Saturday mornings for set up, and Saturday night and a couple hours Sunday Morning after the smelt fry, to put the Club back together again after the big Saturday Night events.

Thanks to all the loyal and dedicated volunteers that just keep coming back, and a big Tip of the Hat to the additional members, and new members that have recently stepped up to fill the shoes of so many of our older and passed members that did so much to create the club.

See you at the club, Thursdays, FRIDAYS, Sat and Sundays.  
Shoot straight and be Safe.  
See you at the Club.  
Have Fun. Keep Smiling.
