Archery Roundtable

Please join us for input and fun March 31 at 1000.

We would like to invite our archery enthusiast to an open forum on events planning for the summer of 2018.

Tentatively we would like to shoot with every other Thursday this summer starting May 31

We are looking for friendly competition on the field and in the 3-D range.

Depending on the amount interest will depend on the amount of prizes and games. We have some ideas but would prefer to hear from our members concerning what they would like offered.

Monthly Drawing

Volunteers are the key to every event and activity that takes place at the club. Their contributions come in all forms, from maintenance and repairs to cooking and serving as RSOs. To recognize the importance of volunteer time, the club does a drawing at each monthly meeting. The names of two or more volunteers, who's put in at least 4 hours of time in the previous month, will be randomly drawn to win prizes. This is just a small way of saying thanks for everything you do.

MARCH!!! Spring is here. More fun stuff to do. Only 2 more smelt fries to attend!!

Winter Skeet will be over, and Thursdays will soon be the new Skeet day. High School Trap Team is getting started. Help support the team!!! We have raffle tickets, an Endowment Fund that we want to grow, and accept any donations to help offset the costs for the Athletes'. Any questions, see Gelane or Kevyn. We already have some awesome support from long time Members, and the Dane County Conservation League provides a generous gift to support the High School Shooters. Thanks to all.

Rimfire Challenge is getting re organized. And for those that haven't been around, check out the range improvements.

Watch for the upcoming Trap Leagues, they will be starting soon. Get involved in the organizational part and help make the leagues better.

Archery is going to have a meeting the end of the Month, to get the ranges and targets ready to go. Thanks to Mike Beckwith's legacy, we have some new 3D targets and a practice target on the range. Ryan and Shane are putting together a key group to start a league or other events to re invigorate the Archery Range. Check it out!!!

5-Stand will be active again. We are planning to get a league of some sort started. Any ideas on how you would like it run?? Let Steve or Kevyn know, and we can get some folks shooting for real. Prizes and Recognition of your shooting ability may be involved. Learn to run the 5-stand, so you can shoot with your friends whenever the club is open.

We have 4 members that just completed the RSO training and will be signing on to help on the Ranges. When you see them, say HI and thank them for helping your Club. Dan Kittel is looking to fill the Spring and Fall RSO schedule, so contact him to tell him how you can help.

The Round Table evening featuring Kevin McDaniel, on sausage grinding and seasoning was a success. A pretty fair turnout, I learned more than I thought was even involved in simply shredding meat to eat. Very eye opening for someone like me that was apparently clueless about the process. In my defense, I didn't know I was clueless until that night.

Thanks to all that brought food, "Chili al a Dan", "Ribs de Carl" and other fine food was enjoyed by all. Let's come up with another topic and plan another Night at the Club.

There is talk of another Sausage event, that we can actually create enough sausage to take some home and consume it at our leisure. Watch for more news.

The Member Appreciation Day was very well attended. Thanks to those who showed up, a special Thanks to those who worked hard to make it a success. Those who didn't make it, you missed a good time, don't miss it again!!!!

Shoot straight and be Safe
See you at the Club.
